December 18, 2017

Christy Martinelli  
Director of Quality  
Bone Bank Allografts  
4808 Research Drive  
San Antonio, TX 78240

Dear Ms. Martinelli:

This letter serves to confirm an accreditation extension for Bone Bank Allografts. Bone Bank Allografts will have continued AATB accreditation until March 31, 2018, as all requirements and timelines have been met during the re-accreditation process.

This letter also serves to confirm that it is best practice to verify a tissue bank's current accreditation status by accessing the AATB website to perform a relevant, real-time, accredited tissue bank search by using the "Accredited Bank Search" function.

We appreciate your participation in this important program of the Association. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jason E. LoVerdi', is written over a light gray circular background.
