Dear Ms. Martinelli:

This letter serves to confirm an accreditation extension for Bone Bank Allografts, which will have continued AATB accreditation until November 30, 2018.

This letter also serves to confirm that it is best practice to verify a tissue bank's current accreditation status by accessing the AATB website to perform a relevant, real-time, accredited tissue bank search by using the "Accredited Bank Search" function.

We appreciate your participation in this important program of the Association. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

Valerie Cruz, LPN, CTBS
Accreditation Coordinator
