June 7, 2019

Matthew John Windrow, M.D.
Tissue Bank Director and Medical Director
Texas Human Biologics
14805 Omicron Drive
San Antonio, TX 78245

Re: TP106

Dear Dr. Windrow:

Please find the enclosed provisional license certificate for tissue bank operation at the following location:

Texas Human Biologics
14805 Omicron Drive
San Antonio, TX 78245

The provisional license is effective until either July 1, 2021 or the issuance of a full license following an on-site survey of your tissue bank. The certificate, which has been amended to reflect the removal of the skin tissue approved tissue category, and the corrected address, replaces that issued May 10, 2019. The certificate must be posted conspicuously at the approved location.

In accordance with the provisions of 10 NYCRR 52-3.7(d), the Department may request a summary of the activities of your tissue bank. Report changes in direct or indirect ownership of the facility within thirty (30) days of the change. Report changes in director within five (5) days and keep the Department informed of any relocation of facilities.

Regulations applicable to tissue banks are available from this office and online at www.wadsworth.org/regulatory/btrp. If you have any questions, please contact me at (518) 485-5341, or by e-mail to btraxess@health.ny.gov.

Sincerely,

Diane Sullivan
Tissue Bank Consultant
Tissue Resources
